

Department:

Electrical Technology

Course Description:

This course continues preparation for the Block and Associates exam. The course focuses on the makeup of the tests, the best use of time, highlighting text in the code book, and many other helpful testing ideas. The course will also provide sample exams and explain how to identify weaknesses and areas needing improvement.

Course Competencies:

Upon completion of the course, the student should be able to:

1. Locate headings in the NEC code book.
2. Determine code-required cable size.
3. Determine code-required ground.
4. Locate and discuss articles in the NEC code book.

Course Content:

- A. General electrical knowledge
- B. Raceways and enclosures
- C. Services feeders and branch circuits
- D. Overcurrent protection
- E. Conductors and cables
- F. Grounding and bonding
- G. Utilization and general use equipment
- H. Special occupancies
- I. Motors and controls

Learning Assessments:

Course competencies will be assessed by use of practice tests, evaluation of lab work and work skills, and quizzes.

Instructional Materials:

Journeyman Electrician Exam Prep/NEC II, Henry, 2008. ISBN: 9780945495925

**Guidelines for Requesting Accommodations Based on
Documented Disability or Medical Condition**

It is the intention of Highland Community College to work toward full compliance with the Americans with Disabilities Act, to make instructional programs accessible to all people, and to provide reasonable accommodations according to the law.

Students should understand that it is their responsibility to self-identify their need(s) for accommodation and that they must provide current, comprehensive diagnosis of a specific disability or medical condition from a qualified professional in order to receive services. Documentation must include specific recommendations for accommodation(s). Documentation should be provided in a timely manner prior to or early in the semester so that the requested accommodation can be considered and, if warranted, arranged.

In order to begin the process all students **must** complete the “Disabilities Self-Identification Form” at this link:
<https://highlandcc.edu/pages/disability-services>.

This form can also be accessed at the Highland Community College homepage under Students Services/Student Resources/Disability Service or by contacting the Disabilities Coordinator.
